

MHS Dance has partnered with Community Recycling and their ShoeBox Recycling program. Together we are on a mission to help promote the importance of shoe recycling while raising funds to help further our efforts. ShoeBox Recycling is easy, engaging and rewarding for everyone involved.

Participating is simple. We are collecting gently used shoes for reuse, meaning all the shoes we recycle as a group are destined for another home. From South America and Africa to areas right here in the United States, our ShoeBox Recycling efforts will go to help people and communities in over 50 countries.

And what's even better are the many ways that our community benefits as well. Not only will your recycled shoes help MHS Dance raise funds, it will also help keep usable shoes out of our local landfills. ShoeBox Recycling also gives us a chance to connect with the people and places that receive our recycled shoes. By writing a SoleMate Note to include with your shoes, you can let their new owner know about where they came from, what they were used for, or even any special memories attached to them. In return, they can write back to us and we can make a SoleMate connection.

So start cleaning out your closets and start looking under your bed for gently used shoes. Every pair you recycle means extra funds for us, less landfill waste and the potential to connect us to a SoleMate!

Any donations can be dropped off in the choir room (135).
