***Bonjour MHS!* Letters and numbers written by hand on paper, carry so much more emotion and personality than printed text from a computer. A person's handwriting can tell a lot about your character and even the feelings you had when writing the words. Swing by French Club after school today at 2 in Room 192 where we'll enjoy calligraphy and crepes. We'll be crafting hand-made and personalized *Thank You*, *Congratulations*, and *Happy Birthday* cards! All are welcome.**
